## New Directors Elected

Because of a mandate passed at the March 23 general meeting, increasing the makeup of the board from 7 to 11 members, a special election was held June 8.

New directors elected are: Eli McCowan, Boyd Collins, April Trocki and Max Hardy. They will serve for one year until the next UAD Conference, slated for June 2003.

Here are thumbnail sketches of the new board members:

Boyd Collins is a native Utahn, having grown up in Roosevelt. He attended Utah School for the Deaf, graduating in 1956. After a couple of months at Draper Lumber

Company, he worked for Ajax Laundry Press for three years in assembly. His longest employment was with P.I.E., where he worked for more than 31 years as a dockworker and operated a forklift. He is married to Gloria and has two adult stepchildren and a grandchild.

Max Hardy is also a native Utahn. His hometown while growing up was Bountiful. He attended Utah School for the Deaf and upon graduation in 1956, went to work for Deseret Printing as a color pressman. He was with the

company for 37 years. He is married to Donna May, and between the two of them, have eight adult children and 15 grandchildren.

Eleanor 'Eli' McCowan enjoys her job as Programs Manager with the Division of Services to the Deaf and Hard of Hearing (DSDHH) in Salt

Lake City, Utah. She supervises programs in hard of hearing, adult community education, youth and family; also supervises temporary full-/part-time employees and volunteers. In the last two years before assuming her job as Programs Manager, she was employed with

DSDHH as Youth and Family Program Specialist, planning

and implementing activities for very young to college age people. Eli has a Bachelor of Arts degree from Gallaudet University in Social Work and has volunteered in various fields for 30 years. She moved to Utah two and half years ago after living in the Midwest and East for many years.

## President's Message

by Ron Nelson

### WE NEED YOUR LETTERS/EMAILS/FAXES!

I received a phone call from Marilyn Call at 5:30 pm on Tuesday (June 25) about a Public Education Appropriations Committee meeting on Wednesday morning at 9 a.m. at the State Capitol.

Due to the budget deficit in Utah, one of the proposals to save money recommended consolidating the Utah State Office of Rehabilitation (USOR) with the Department of Workforce Services (DWS). This is a big NO! NO! NO! because the DWS has a very poor track record of meeting our needs. The Deaf Center would very likely be turned into a job service center for all people. In other words, it would not be a Deaf Center anymore. Blaine Peterson, USOR's Executive Director, spoke against the consolidation and did an excellent job. I attended the committee meeting but time ran out before I was able to say anything. Due to the UAD-Announce Email and a popular open-captioned movie, the word was spread and about 20 deaf people attended the committee meeting. THANK YOU FOR COMING AND SHOWING YOUR FACES!

It is vital that everyone lobby the members of the committee to **"LEAVE THE USOR AND DEAF CENTER ALONE!"** We will have an emergency board meeting on June 29 at the Deaf Center and then a public meeting afterwards to assist the public to write letters / emails / faxes to the legislative committee to lobby against the consolidation recommendation. People on the UAD-Announce email service have been kept up to date on the news and meetings. If you have not joined the UAD-Announce email service, do it now! Simply send your email address and name to Clay Crye at [clay@crye.net](mailto:clay@crye.net) and ask him to put you on the UAD-Announce. Please find more information at [www.uad.org/lobby.htm](http://www.uad.org/lobby.htm) with instructions on how to contact the Legislative committee members.

The UCCDHH is the ONLY place in Utah that is designed to meet the unique needs of a unique segment of Utah's population, the Deaf and Hard-of-Hearing. Based on the United States Census 2000 issued April 2001, the population in Utah is 2.2 million and approximately 10% of the population are Deaf and Hard-of-Hearing. This represents a significant portion that cannot be ignored or their needs put aside. If we will make our concerns known by lobbying, they will listen to us. It is up to you. **Each letter/email/fax makes a difference! It is a difficult communication problem.**

Rob Kerr and I will be at the NAD Conference as UAD Delegates when you read this. I was asked to serve on the Steering Committee and the Resolutions Committee. We will give a report at the UAD General Meeting on September 21, 2002. Please jot this date down.

## Tracking Our People

Billy and Heather Kendrick, along with daughters Samantha and Emma, moved in May to Alexandria, Virginia from New York City. Billy is now Director of Marketing for Visual Language Interpreters in Alexandria.

Annette Miner is moving to San Diego, CA to pursue her PhD, and Marla Broetz is moving to Fulton, MO to teach at William Woods University. Both were SLCC employees, and were honored at a farewell party at the Redwood campus as the semester drew to a close.

Paul and Jan Williams-Poynor have moved to Northern California and love it. They live in a huge house, with one acre and two sheds, four blocks from a lake. Paul is a certified deaf interpreter. Karlee is in 6th grade at CSD at Fremont, while Leeza and Marilee are in a local hearing school, riding the big yellow bus and taking classes with an interpreter, a new experience for them. Noralee is a year away from starting kindergarten. Although the whole family is doing well, Jan admits she misses Utah and her dad very much.

Emily Broadbent at Gallaudet reports "During the first few weeks of summer, it was literally "dead" here. With the Deaf Way II event approaching, people from all over the world have arrived and are filling the dorm rooms across campus. Gally has become alive again! It appears that Deaf Way II will have a huge turnout. As I write this, over 7400 people have registered for the conference. The first Deaf Way occurred in July 1989. After Deaf Way II, I will spend the remainder of the summer in Utah before fall semester begins.

### UAD Adopts NAD Position on Cochlear Implants

At its June meeting, the board of directors moved to adopt the NAD position paper outlining its stand on cochlear implants. Basically, the position paper recognizes diversity within the deaf community and within the deaf experience. To quote a part of this paper, "diversity requires mutual respect for individual and/or group differences and choices."

For those wishing to read the entire position paper, it can be found at [www.uad.org/ci.html](http://www.uad.org/ci.html).

### Miss Deaf Utah's Dry Run for MDAP

The public had an opportunity to see Miss Deaf Utah's skills when she went through a dry run for the Miss Deaf America Pageant on June 8 at the Deaf Center. She began with a private interview with the UAD Board. She proceeded to the stage where she wore two evening gowns (purple gown was voted best), performed her talent and did an onstage interview. The public shared their feedback with Rebecca Ann Davenport and her chaperone, Camille Call. The Dry Run was emceed by Kristi Mortensen, her coach.

### JMS Ends Another Great Year!

June 7 was the last day for the students, and we had a big Field Day at the Riverton City Park. First, we had a soccer game with an Orange team and a Gray team. The Gray team won 4-0! Gary Leavitt came and told us some stories in mime; they were so funny! We then learned how to juggle balls (with Don Wilding), and had our faces painted. Lunch was hot dogs and chips. Then we had a HUGE water fight! Everyone got wet! It was a great way to end the year. Thanks to the teachers, staff, and volunteers who helped 2001-2002 to be another banner year at JMS.

Next fall we will see several new changes to JMS. First, we have hired a full-time administrator/chief operating officer. Petra Rose will be returning from Riverside to work for us. Her first day of work will be mid-July, and she will be responsible for operating the school and other duties like public relations, fund raising, and recruitment. We welcome Petra and Ricky Rose back to Utah!

Second, we will be moving to a new building! We are leasing a few rooms in the Riverton Community Center at about 12750 South Redwood Road. It is very close to the Riverton City Library. The community center used to be an old elementary school, so the rooms we will use are already designed to be classrooms. We are very excited about the move and looking forward to the much bigger rooms!

Third, we will be expanding to include the sixth grade. Every year we grow one grade, and now we will have four classes: (1) preschool through kindergarten, (2)

## Local News/Articles

first/second grade, (3) third/fourth grade, and (4) fifth/sixth grade. Liz Griffen is leaving us, and Leanna Turman has been assigned to teach the preschool through kindergarten classroom. Heather Tucker will teach the first grade, and Trish Vierra the third grade. We are now looking for a teacher to teach the fifth/sixth grade classroom.

**THINGS TO LOOK FORWARD TO:** We will be having a fundraiser and open house on Friday, August 23, 2002. You are all invited to come, bring your friends and families with deaf children. Details will be posted in the August UAD Bulletin.

### 20 Years Ago...

**July 1982** - A recent survey of TeleCaption decoder owners showed that 38% currently subscribe to cable services. A whopping 85% of viewers not now subscribing indicate that they would subscribe if closed-captioned programming were available. Captioning holds two advantages for cable franchises: it's a community service and it builds the audience!

(Editor's note: At that time, only ABC, NBC and PBS provided closed captioning – and not very many primetime hours, either. We've come a loooooong way since!)

### MDU's Report

by Rebecca Ann Davenport

Is it July already? The time has definitely gone by quickly! As you read this, I will be in Washington D.C. for the Miss Deaf America Pageant. So many people have supported me while I was preparing for the Miss Deaf America Pageant. If I didn't have those kind people who are supporting me, I would have felt lost, and I would be really frustrated. This Deaf community gave me an opportunity to open up to them and taught me many things in the Deaf Community. I hope that when I return back from Washington D.C., there will be more appearances.

Last month, there was a national volleyball tournament in Salt Lake City. There was a good committee and a chairperson who worked so hard to make this event work out smoothly. They made this tournament successful. People from different states came to this event and complimented on how successful

this event was. I helped present the awards Saturday night.

On June 8, 2002, I did a MDUP Dry Run to help me prepare for the Miss Deaf America Pageant. It included the private interview, my platform on Deaf Mentoring, my talent 'You Are Special' that applies to the deaf community, and got votes on which evening gown I should use for the pageant. One dress is white and the other is light purple. Most of them voted on the light purple evening gown.

On June 15, 2002 I felt honored when some people showed up for the Good Luck party we had on that day. I feel that the Deaf community is supporting me to represent Utah at the Miss Deaf Utah Pageant.

### My Unforgettable Experience with 2001-2002 Partners in Policy-Making Training

*by Eli McCowan*

I learned about the Partners in Policy Making Training from a brochure given to me by a member of the Youth and Family Program (YFP). The quotation, "Partners in Policymaking being an innovative leadership training programs for parents of young children with disabilities and for adults with disabilities" got my attention. I thought that I would get more benefits from this type of training that provided much more "inside" leadership than the government courses in high school and college, so I applied for it. (Have you heard of the common remark, "It

is never too late to learn"?)

#### What is Partners in Policy-Making Training (PPM)?

It is hosted by the Governor's Council for People with Disabilities. The mission of this state-of-the-art training is advocacy for public policy that affects all people with disabilities in the state of Utah. The PPM is designed to educate and empower its participants to achieve policy change at the local, state, and federal levels. The curriculum contained a huge amount of information about advocacy. From leaders in the field, we learned histories, philosophies, and concrete strategies for creating systemic change in disability areas.

From September 2001 to May 2002, I attended the positively overwhelming training for two days a month except during the holidays and Olympics. (They were made up twice in March.) I learned that I was the first Deaf participant in this state-wide program (GCPD). Interpreters were

provided at every training session. At the graduation last month, we had a bittersweet graduation ~ it had been a long haul but our confidence had grown! Allison, the new Executive Director of GCPD, replied that there would be a short-version advanced training from time to time every year. What a perfect gathering to share our 'hand-on' experiences of advocacy at our reunions!

### What is coming this fall?

The Leadership Academy for the Deaf and Hard of Hearing (in our own Deaf-friendly version) will be ready for those interested in advocacy in September. It would be a big plus for those who need more confidence at any level of leadership for the Deaf and Hard of Hearing communities of Utah. The main motivational speaker, from the Deaf President Now Team, will inaugurate the program. (There will be a one-day orientation in August to prepare for the year of mind-powering experiences.) I will be behind the scene conducting the training with support from Vicky Clayson, the coordinator of PPM. Boarding and meals will be taken care of. The Utah Association for the Deaf and Utah Community Center of the Deaf and Hard of Hearing are the co-hosts of the Leadership Academy Training.

## USD Teachers Retiring

Utah School for the Deaf honored two retiring teachers at a late afternoon reception held on June 19 at the Ogden Campus.

Barbara Bass and Bert Chaston taught for a combined 64 years in the USDB system, Barbara for 29 and Bert for 35. They were also recognized at the USDB Institutional Council meeting and each presented with a plaque commemorating their service to the children they taught. They also received a gift certificate, Barbara to Pier One and Bert to Home Depot.

Barbara, along with her husband Fred, is moving to Surprise, Arizona where they have bought a new home. Barbara is looking forward to participating in the senior citizen activities in the Phoenix area.

Bert is a handyman, and eager to work on his projects and spend more time with his family.

## New USDB Specialist Appointed

has announced the appointment of Terrance Cantrell as the new Deaf Mentor Program Specialist at the Utah Schools for the Deaf and the Blind. He replaces Barbara Bass, who is retiring.

Terrance brings a broad array of experience in various fields. Terrance has been a Deaf Mentor for the past year and brings with him great ideas for the Deaf Mentor Program.

Most recently, He has been working at the Salt Lake Community College as a computer specialist and adjunct professor, teaching a variety of subjects. Terrance has worked in case management, advocacy, human resource management and public relations, and all areas of computer technology.

## National Volleyball Tournament a Success

*by Stacy Nowak/Cami Wilding*

The Utah Athletic Club of the Deaf hosted the

National Deaf Volleyball tournament on May 30, 31, and June 1. The tournament had three categories; men, women and coed. Both men's and women's tournaments fielded 5 teams each, while 8 teams turned out for the coed tournament.

All three categories kicked off in round robin format, and took

two full days of continuous play. At the end of round robin play, all coed teams had at least four wins each, proving that competition was indeed fierce. After a hotly debated rematch between the two Utah teams, Trampling Moose and Target, Trampling Moose took first seed in the playoffs. In other coed action, HelpUs, a "blender" team of veterans and last-minute replacements, advanced to the semifinals against Trampling Moose. The game turned out to be the most exciting game of the coed tournament, with HelpUs rallying from a 11-4 deficit in the third game to win 15-12 and advance to the championship game against Illinois. Illinois, led by Jerry Clark, was simply too good for the worn-out HelpUs team, defeating them in two games, 25-22 and 25-14.

In women's play, the Strange Unknowns, a mix of

## Local News/Articles

current and former Gallaudet students and players, breezed through round robin play with an 8-0 record. Close behind were the Utah Ravens, a close-knit team of veteran players, who ended round-robin play with a 6-2 record. The two teams met in the first round of the playoffs, and Utah, determined and energetic, took the win, sending the Strange Unknowns into the losing bracket. The Strange Unknowns then worked their way back into the championship game. The Utah Ravens never gave up, but the Strange Unknowns had chemistry, and it carried them to the championship. One of the Utah Ravens commented about the Strange Unknowns--"They were good, just really good. They never stopped laughing either. They were positive through the whole tournament."

In men's play, the Wisconsin men finished round-robin play with a 7-1 record, giving them the 1st seed in the playoffs. The Illinois Thunder took the 2nd seed, and living up to their billing, rode all the way into the championship. The two teams faced off in a game of finesse and power. They split the first two games, and gave the fans something to cheer about in the third game, with lead changes every few points. Wisconsin then pushed ahead for the win, a well-deserved one.

The tournament ended in style, at an awards

ceremony at the "E" Center, the site of the Olympic ice hockey games. Players and fans were treated to amazing views of the whole city at sunset. With appetizers and drinks flowing, the players had the opportunity to socialize and relax. The entertainment was hilarious, and the awards were classy -- engraved wooden clocks. At midnight, the doors closed on the 2002 National Volleyball Tournament, and players went to bed, dreaming of white balls and the next national tournament.

The NV2002 Director would like to thank all the committee members and volunteers for all their hard work. Students from various ASL programs and the Interpreter Training Program participated by donating a lot of their time. Hopefully their experience at the tournament helped them become more fluent in ASL, which will eventually provide the Deaf community with excellent interpreting quality. Sponsors, players, coaches, fans, and advisors are all appreciated as well. Without them, there would not be a fun and enriching tournament to remember. The NV2002 committee would also like to express their deepest gratitude to the Utah Association of the Deaf for their strong support, both financially and mentally. Thanks for a memorable tournament!

### Teacher Wins Prestigious Award

Sharon M. Kerikas, a teacher at the Mill Creek Elementary (Salt Lake County), was one of 20 individuals awarded the 2002 Huntsman Award for Excellence in Education.

The honorees were selected by a panel of education and business leaders. Each received a check for \$10,000 and a crystal obelisk.

Sharon has taught for 36 years. One year, she had an entire class learn sign language as a way to include a deaf student with autistic behaviors in class activities. The deaf student progressed immeasurably, and the class learned a second language and a lesson in accepting those who are different.

She is a graduate of the Mentor Academy and works with educators throughout Utah and Nevada.
