Miss Deaf Utah's Farewell

by Rebecca Ann Davenport

This is my last article and you will meet the new Miss Deaf Utah on November 22, 2003. I have been Miss Deaf Utah since June 2001. The day I was crowned is a day I will never forget. I care about the 1st runner-up, Kilee Bennett, 2nd runner-up, Jamay Clyde, and 3rd runner-up, Erin Kelly. I was very shocked that I became Miss Deaf Utah. I accepted the responsibility of service for two years in the Deaf, Hard of Hearing, and Hearing

communities. I learned a lot of stuff since that day. UAD has helped me a lot to understand the issues going on with UAD and in the Deaf community. UAD gave me a lot of support when I was frustrated or making mistakes.

Miss Deaf Utah's Farewell

(continued from page 2)

I really appreciate the support and the experiences I gained to develop my leadership skills. I am going to miss it. I just looked at the MDUP website at www.uad.org/mdup and it says that I have made 57 appearances and written 21 articles. I hope the new Miss Deaf Utah will have the same opportunities. I want to thank the UAD Board for their support and Ron Nelson as UAD president who taught me in many ways and always supported me. Kristi Mortensen is the MDUP Advisor who gave me a lot of support and encouragement to meet my goals. Nancy O'Brien and Sally Green helped me prepare for the Miss Deaf America Pageant with beautiful clothes (state costume and talent) and did an amazing job. Camille Call-Garcia was my chaperone for the MDAP and was there for me even when I was scared on the stage. I couldn't think of all of you who gave me support. I don't know what I would do without your support. Please give that same support to the next New Miss Deaf Utah. I am going to miss the role. I really loved it. Again, I am thankful for your support! When my duty is over, I will continue with my education. I will keep working to accomplish my goals and I am not letting people pull me down! Don't give up your goals that you desire. No one can stop you from reaching your goals.

President's Message

by Ron Nelson

I'm thankful for a wife who thinks I don't know what I am doing but still loves me.

I'm thankful for parents-in-laws who hope I know what I am doing.

I'm thankful for a UAD Board that knows what they are doing and keeps a watchful eye and guiding arm on me.

I'm thankful for a 2-day vacation during Thanksgiving so I have time to figure out what I am supposed to be doing.

I'm thankful for a SCCDHH staff that appreciate their positions and are always helpful to us.

I'm thankful for a National Association of the Deaf that knows the importance of what they are doing to all USA citizens.

I'm thankful for a Utah Association for the Deaf that knows what they want and never ever gives up the vision.

I'm thankful for a 17-year-old car that keeps plugging away and inspires me to keep pumping in spite of my old shell.

I'm thankful for the Deaf people in Utah that are willing to rise up and say "Leave the Deaf Center Alone!"

I'm thankful for the members of the Popcorn Coalition (SHHH, ALDA, and AGBell) for having the wisdom to see our common needs and are willing to work together.

Happy Thanksgiving !

Obituaries

October 4, 2003 - James Messenger, 52, of Salt Lake City, was killed in a plane crash. He was on a plane to shoot aerial photographs of Utah's west desert, searching for raptor nests as part of a volunteer Bureau of Land Management program. James was one of three founders of NXi Communications, a Salt Lake City company that makes telecommunications devices for the deaf. The other two founders are Tom McLaughlin and Ron Nelson.

20 Years Ago

After two postponements, the UAD convention finally took place on October 7-8 at the Utah Community Center for the Deaf in Bountiful. Over 100 people were in attendance at the business sessions Friday evening and [all day] Saturday, and at the Saturday luncheon.

Dave Mortensen, president of the Utah Association for the Deaf, made three presidential awards in the form of plaques. One, for community service to the deaf, went to **Jerry Westberg** who has been in the clock and signal business for thirty years, making alarm clocks and signals for the deaf. Another, for extraordinary service to the deaf community, went to

Robert Welsh, who worked with the United Way of Utah County to provide funds for a TTY for the Information and Referral Office, and also for interpreting services. The third, for interpreting services to the deaf community, went to **Madelaine Perkins**, who has been an interpreter of a professional caliber for a good number of years.

Utah TTY Directory Now Being Updated

The editors have begun work on the 2004-2005 Utah TTY Directory and need your help in updating it. Please check your 2002-2003 directory for your listing, and email kinneyv@vii.com, call 801-625-0161 or fax 801-621-4036 with corrections or additions. It would also be a good idea to confirm your current listing even if there is no change to be made.

Information on your listing can include:

Name
Address
City, State, Zip
Phone number
Pager address
Email address (one per individual)

VP phone number (if different from regular phone number)

You have the option to leave your address, phone number, pager address, email address or VP phone number unlisted. The only requirement is that you must have at least one of them to go with your name. We also require that the person to be listed have a phone number and a TTY.

Please let Val Kinney know by December 1 of any corrections or additions you would like made to your listing.

For advertisements, contact Dave Mortensen at (801) 262-4760 TTY.

Letter to the Editor

A few weeks ago I took the opportunity to attend an Emergency Preparedness and Safety Workshop with my granddaughter Shyanne which I had taken notice of in your UAD Bulletin. My hats off to the organizers and presenters of this fabulous workshop!

I have never before attended any kind of activity for the deaf although my granddaughter has been deaf from birth. I didn't know there was a Utah Association for the Deaf until Kristi Mortensen introduced me to it. I have always felt a deep admiration for those that sign and are deaf although I am not nearly as educated as I should be. Kristi and Shyanne have enlightened me a great deal.

The students that attended this workshop were remarkable. They are so polite, friendly and intelligent. Along with my granddaughter they wanted to make sure that I was comfortable and that I fully understood what was going on. I learned more that day about humankind than I can express.

Shyanne introduced me into another world with her deafness. A world that I love very much. I have tried on three separate occasions to learn sign from classes offered at the university where I work. To my dismay I was so slow that I couldn't keep up with the class of students that are much younger than myself. If the ability were based on desire I would have it made!

Thank you for sharing this learning experience with me. I learned that we speak to each other in many different ways - one of which is the heart. My granddaughter is very fortunate to know Kristi (who is a remarkable woman) and each of you. Again, thank you for a remarkable experience of learning. Keep up the good work!

JMS May Stay to June 2004

The Riverton City council approved a motion allowing JMS to remain where they are until their academic year is over in June 2004. This is a big relief because they were going to be evicted by January 15, 2004.

They are still struggling for finances and this academic year is a pivotal year in terms of whether or not they can continue next year. They are still looking for ways to boost revenues.

Camp Liahona for Deaf Children Sets Annual Meeting & Seeks Board Members

Camp Liahona for Deaf Children, a summer camp for Deaf and hard of hearing children, announces its Annual Meeting to be held on November 14, 2003, at the Sanderson Community Center for the Deaf and Hard of Hearing (formerly UCCD). The meeting will begin at 7:00 pm in Classroom B and C. The public and those interested in learning more about Camp Liahona are invited to attend. The proceedings will be held in American Sign Language.

The annual meeting will feature a report by Nanette Hix, Camp President and Director about the 2003 camp week. Also, news and information about upcoming events at and improvements to Camp Wapiti, Liahona's home since 1995, will be given. Elections for board members who have resigned or whose terms have expired will also be held.

Camp Liahona is seeking qualified, motivated, and committed successful Deaf or hearing (who are fluent

users of ASL) adults who can serve on the Board and help provide leadership and guidance to Camp officers and staff. Board member terms are three years and may include service in roles such as leadership development, officer and parent liaisons, or financial oversight.

Those interested in working with the Board are encouraged to contact Craig DeGroff, Camp Recruitment and Leadership Development Officer or Doug Stringham, Vice-Chair, as soon as possible.

For more information about Camp Liahona, please visit the website at www.campliahona.org.

Miss Deaf Utah Pageant & MDUP Sorority

by Kristi Mortensen, MDUP Advisor

We have 56 former MDUP contestants to date. We never thought we would see them again. But we were wrong -- the MDUP Sorority came into the picture on August 23 with a luncheon. There were about 15 scheduled to appear but several couldn't come and we ended up with 11. We even had one come from Colorado. It was a very exciting and very special event.

The next gathering was held on November 1st. The MDUP Sorority has many goals and one of them is to become a "mattress" to MDUP. We have 4 young ladies who will be vying for the Miss Deaf Utah crown on November 22, Saturday at 7 pm at the Sanderson Center. The MDUP Sorority has already pitched in by giving the contestants help with either goods or services. We believe that through the Sorority, we can ensure the MDUP stays strong. The more support we give to MDUP, the better they will be in the long run.

We will be working on a mission statement and a list of goals the Sorority wants to accomplish in the next few months. To name a few -- in the Spring, we will have 2 Dry Runs for our new Miss Deaf Utah to help her prepare for the Miss Deaf America Pageant in Kansas in July. The MDUP Sorority has already agreed to give their full support to the State Director and Miss Deaf Utah in any way they need. We did this by inviting the State Director, Shirley Snow and 4 contestants to the MDUP Sorority general meeting on November 1.

The MDUP Sorority wants to thank the UAD Board for their generosity and support to see that we will continue to grow, especially financially by transferring a sum of money into our fund. We are thrilled because we foresee several events for young ladies age 17 to 26. Perhaps in the next pageant we will have more than four young ladies in the Pageant. Not only that but we can establish more Dry Runs for our Miss Deaf Utah prior to the Miss Deaf America Pageant.

(continued on page 5)

Miss Deaf Utah Pageant & MDUP Sorority

(continued from page 4)

Who knows? Perhaps with the Dry Runs, we will see one of our girls make it into the top five or even more exciting become Miss Deaf America!

Please come to the Miss Deaf Utah Pageant on November 22 and see who will win the title of Miss Deaf Utah. It begins at the Sanderson Center at 7 pm sharp. Please see the enclosed flyer for details and prices.

Nancy Rarus Retires at NAD

Nancy Rarus retired from the National Association of the Deaf on October 15, 2003. Her farewell message "I sincerely hope that all of you will continue to do the work to achieve equal access in every area in our lives. This to me has been the basic reason for my involvement over the years. Not to worry, there is

plenty of work to go around for many volunteers. Nevertheless, I will still be involved in the years to come. Good luck!"

Are Your Carbon Monoxide Detectors Installed Correctly?

In the basement is where the fire department says the carbon monoxide alarm should be installed.

"Carbon monoxide is heavier than air and so it builds up from the bottom. So the lowest point in house near the source of the gas which is your furnace, is the best place to install the carbon monoxide detectors.

If the carbon monoxide detectors are installed upstairs, they are not very useful. They should be installed about 18 inches off the floor above the basement floor and near the furnace.

However, smoke detectors should be mounted on the ceiling.

British Clinic Helps Switch Off Text Addicts

A British rehabilitation clinic to the rich and famous is treating patients addicted to sending text messages.

The Priory, an upmarket South West London clinic is best known for helping showbiz identities dry out from drugs or alcohol. But a rising number of its patients are seeking help because they can't keep their hands off their mobile telephones.

Once viewed as a habit that at worst irritates teenagers' parents, **the mobile phone phenomenon has been officially deemed a full-blown addiction**, with dozens being treated for compulsive communicating. Dr. Mark Collins said the problem was part of a wider obsession with modern technology.

"There has been a big rise in the number of behavioural addictions -- and many involve texting," he said.

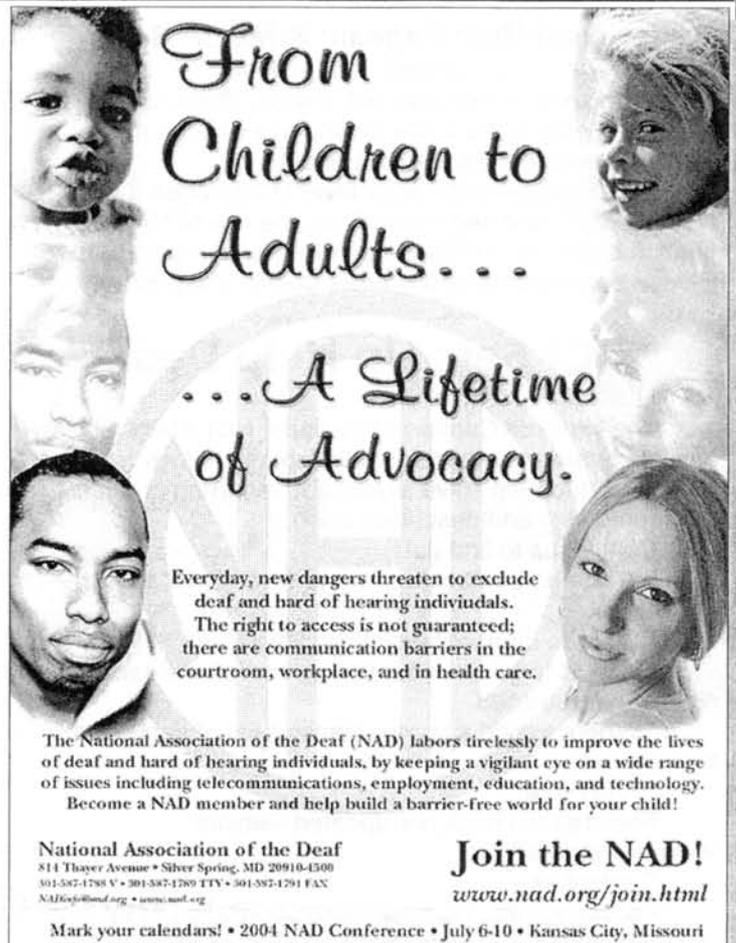

Dr Collins said some patients had spent up to seven hours a day texting. One had developed repetitive strain injury because he spent so much time texting.

Relay Utah Launches RelayUtah.gov

Relay Utah launched relayutah.gov on September 30, making information about its toll free 7-1-1 service and other resources easier to access by Utah's deaf, hard of hearing, speech disabled communities and their friends and families.

The new website features detailed descriptions of the 7-1-1 translation service, available equipment, answers to frequently asked questions, and event calendars. Examples of specific information on the easy-to-navigate site include:

- **Making a Call**—Provides a brief overview of the few steps needed to make a 7-1-1 Relay Utah call.
- **Available Products**—Photos and descriptions of text telephones, amplified telephones and other equipment available for purchase or by qualifying for free equipment.
- **Qualifications for Reduced Cost or Free Equipment**—Information on qualification criteria as well as Spanish and English-language application forms are available in downloadable PDFs from the site.
- **News and Events**—Up-to-date information on hearing

**From Children to Adults...
... A Lifetime of Advocacy.**

Everyday, new dangers threaten to exclude deaf and hard of hearing individuals. The right to access is not guaranteed; there are communication barriers in the courtroom, workplace, and in health care.

The National Association of the Deaf (NAD) labors tirelessly to improve the lives of deaf and hard of hearing individuals, by keeping a vigilant eye on a wide range of issues including telecommunications, employment, education, and technology. Become a NAD member and help build a barrier-free world for your child!
